

TRIOSE TURNS YOUR SHIPPING VOLUME INTO INCREASED VALUE

GAIN CONTROL OF YOUR SUPPLY CHAIN

Your Provista & NuEdge membership gives you discounts and contacts with major shippers that only big businesses could afford in the past. Our relationships with carriers across the country ensures you get the highest level of service.

VISIBILITY

TRIOSE provides reporting that fits your needs, giving you greater visibility into how shipping behaviors impact your bottom line and providing helpful tips on how to save money!

INCREASED VALUE

If you're selecting a supply chain partner based on rate alone, you're missing the full picture. TRIOSE drives increased vendor utilization & compliance leading to increased value. That type of end-to-end supply chain management enables you to fully realize your operational potential.

CONTROL

Once you gain increased visibility to your supply chain, taking control is the next step. Whether it's large cargo, inbound, or outbound small parcel, TRIOSE helps bring together all facets of your supply chain so you have more control over your supply chain operation.
