Your path to the cloud

All Microsoft® Office 365® subscriptions come with basic bundle services. To upgrade your bundle, add on migration or admin-on-behalf services.

Basic bundle services

- Flexible monthly billing
Raise or lower licenses during the month, and see all of your charges on a single, all-inclusive bill.
- Support
Our U.S.-based cloud specialists will help you through onboarding activities and provide Level 1, 2 and 3 support.

Add-on services

- Migration services
From readiness testing to training, Insight’s teams have the experience needed to migrate your seats to the cloud.
- Admin-on-behalf services
We’ll handle the complete administration of Office 365 for you, freeing you to focus on business objectives.

Insight’s Modern Workforce Solutions

When you pair your Office 365 plan with Modern Workforce Solutions, you can focus on growing your business while we take care of the rest.

Basic Microsoft Office 365
