ACCESS

CONSTRUCTION & DESIGN

Accessibility is the degree to which a product, device, service, or environment is available to everyone. Need Access? Access Construction & Design has the products and services to Make Your Life Accessible.

SAGINAW

MEDICAL SERVICE

Saginaw Medical Service offers a wide range of medical supplies and home care products. We also provide a wide range of wheelchairs, power scooters, and more. Stop in and visit our showroom today, and you will be helped by one of our home care specialists to assist you in finding exactly what you are looking for.

ACCESS

MOBILITY CENTER

Access Mobility Center is your local business for all your mobility transportation needs. We provide wheelchair accessible vans and lifts, and we also offer full service repairs on lifts, scooters, and vans. Stop in our showroom today and be helped by one of our sales representatives or certified mechanics.
