The Benefits of Advantage Medical Supply Company

January 16, 2023

The medical industry is ever-changing and so too are the needs of medical professionals. Luckily, there is [Advantage Medical Supply Company](#), founded in 1996 as a full-line medical supply distributor. We understand that physicians need access to reliable, quality supplies and equipment to better serve their patients. That's why we are proud to offer an extensive selection of everything you need, from exam room disposables to medical equipment.

What We Offer

At Advantage Medical Supply Company, we offer a wide variety of supplies for physicians. From paper goods like exam table paper and patient gowns, to disposables like gloves and gauze pads, our inventory has everything you need to keep your office running smoothly. We also carry a full range of medical equipment from most major manufacturers in order to provide the latest technologies for physicians.

Service In the San Antonio, Austin, and Laredo areas

Healthcare is local and we strive to provide our customers with personalized attention. We have outside sales representatives who will visit facilities in these areas as often as you need. Your representative will introduce you to new products as well as assist you in your ordering process. In most of these local areas, your order will be delivered by our own delivery staff... giving that personal touch. Careful shipping is available outside of these areas as well.

Our Commitment To Quality

We take pride in providing the best products at an affordable price point. Our commitment to distributing only high-quality items ensures that you can worry less about the supplies you use in your practice so you can focus more on giving your patients the best care possible. Let us be your partner in success; contact us today for all your medical supply needs!
