

Brandlive: The Leading LIVE and On-Demand Video Streaming Platform

Customized, stunning video events for digital audiences everywhere

August 24, 2020

How do you plan for conferences when in-person events are not a valid option? You simply go virtual. You can convert Seminars, Trade Shows, and conference into valuable Virtual Events. [Brandlive](#) is helping companies launch products, inform customers and educate teams with energizing, branded video events.

Brandlive is used by top brands to create and deliver customized, interactive web pages featuring live or on-demand videos. The powerful combination of moderated chat, multimedia content, custom branding, and secure registration makes **Brandlive** the perfect choice for engaging and educating employees, sales reps, partners, and distributors.
