

Drugs of Abuse Testing by Clarity Diagnostics

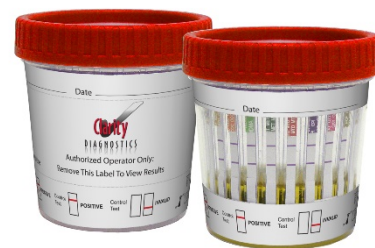

Clarity's rapid diagnostic tests are made with you in mind, to ensure ease of use, accuracy, and value. Our product line includes 7 product categories and over 80 primary products that are FDA approved and CLIA Waived. Clarity also provides you with flexible options not offered by competitors such as live product support backed by U.S. based corporate sales, customer service, and technical support teams. Our team is available to customers and distributor reps alike, pre and post-sales for questions, training, and technical support. We also offer placement programs based on volume.

EMERSON LABORATORIES

The Clarity Drugs of Abuse (DOA) line of tests detect elevated levels of specific drug metabolites in urine in as fast as 5 minutes. These tests are offered in a cup or dip card.
