PURELL® CS2 Dispensing System

Push-Style Dispenser for PURELL Hand Sanitizer

Protecting public health and ensuring hand hygiene is available whenever and wherever it's needed is a core value of the PURELL® brand. The PURELL CS2 Hand Sanitizer dispenser provides convenient, reliable access and sends a message of quality care to residents, staff, and visitors.

The PURELL CS2 Hand Sanitizer Dispenser:

- Designed for the needs of Long-Term Care markets.
- Exceeds FDA healthcare personnel hand wash requirements with just 1.1 milliliters of product.*
- Features a compact design for flexible placement.

CS2 1000 mL

Depth is 3.85"
