Take advantage of big savings on Chevy, GMC, and Cadillac vehicles

Start saving today. Ordering is Easy!

What you do

- Contact your dedicated vehicle concierge or log into vehicleorders.com and fill out the contact form.
- Provide your member ID (MID) to dedicated dealer concierge.
- Review your vehicle needs and operations with an expert who can review best practices and vehicles for the job.
- Start saving and take advantage of a great member benefit.

What we do

- A dedicated vehicle expert to support members purchases.
- By using analysis, we engage Members with solutions to improve fleet purchasing as well as introduce new vehicle manufacturer offerings.
- We work to better understand customers and their business' vehicle needs to help them find vehicles that can do the job they need and help their business run more efficiently.
- We'd like to evaluate your vision of how you operate/manage your vehicles and make recommendations that align with your business goals.
- Provide some guidance on cost controls/profit needs related to purchasing, maintaining and operating your vehicles.

Members can expect:

Rebates as high as

\$9K

 2021 Chevy Express 3500 Cargo Van
