Sharps Waste Solutions

Compliance Training and Consulting Services

Pharmaceutical Waste Solutions

Healthcare Hazardous Waste Service

Healthcare Products

#### Regulated Medical Waste Service

Simplifies the collection of regulated medical waste while protecting against potential risks associated with the handling, transportation, treatment, and disposal of medical waste.

#### Sharps Waste Solutions

Enables the safe collection and disposal of sharps through a variety of solutions that range from disposable and reusable sharps containers to mail back kits.

#### Pharmaceutical Waste Solutions

Delivers waste characterization and compliant collection, treatment, and disposal of non-hazardous, pharmaceutical waste.

#### Healthcare Hazardous Waste Service

Provides waste characterization, transportation, and compliant disposal of hazardous waste, including lab packs, liquid chemicals, and universal waste.

#### Safe Community Solutions

Offers safe, convenient, and environmentally responsible ways for consumers to dispose of unused medications and sharps with MedDrop™, Seal&Send™, and SafeDrop™. Boost your brand affinity with employees and consumers.

#### Shred-it® is the Single Source Secure Information Destruction Provider for Vizient

Provides secure document and e-media destruction services and maintains compliance with the Health Insurance Portability and Accountability Act (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH).

#### Compliance Training and Consulting Services

Helps you save time and work smarter with access to HIPAA and/or OSHA training. Training resources on our secure online portal, MyStericycle.com.

#### Healthcare Products

Access thousands of products including sharps containers, infection control, and safety items.

***Stericycle will work with you to create a simple, compliant, and cost-effective waste management program that can help you protect your brand, staff, and the communities we serve.***
